

STAR TWIST ORNAMENT

A
B
11
14
00

Start with a snugly-folded
BIRD BASE.

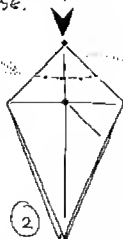

(A 10" square
yields a
4 1/4" ornament.)

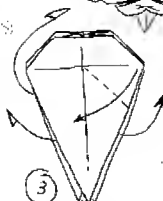

①

FUF corner to
center line.
Repeat behind and
on inner layers,
each time on the
right half of the
surface.

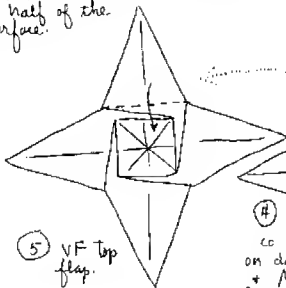

②

FUF peak to
horizon,
then sink
on crease.

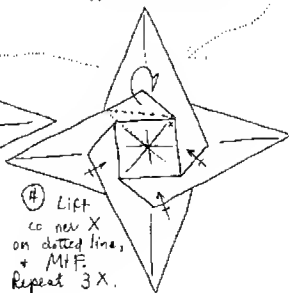

③

Fold flaps up
on creases and
arrange them in a
cross, flattening the
sunken center.

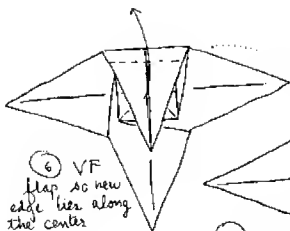

⑤ VF top
flap.

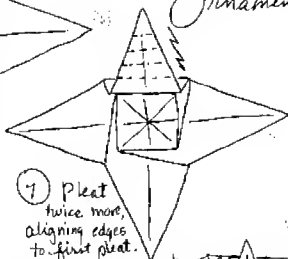

④ Lift
cc near X
on dotted line,
+ M.F.
Repeat 3 X.

Star Twist Ornament, p2

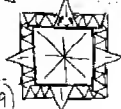

⑥ VF
flap, so new
edge lies along
the center
square.

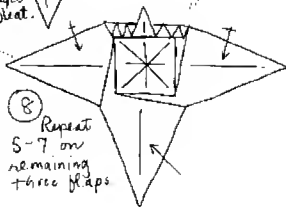

⑦ Pleat
twice more,
aligning edges
to first pleat.

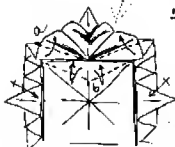

⑧ Enlarged detail
VF next layer.
Again, note that
folds do not go
to corners.

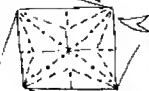

⑨ VF - note
that folds do
not go to
outer corners
of pleat.

⑩ Repeat
5-7 on
remaining
three flaps.

⑪ a) VF next pleat,
as before. Then
repeat 9-11, 3 times.
b) FVF edges of
central square to its
diagonals, all around.

⑫ Detail of
center square:
Invert the diagonals
while pinching up
each corner. These
corners come forward in 3-D.

Nice in
fold.
